| 40 X 120 Pole Tent | W | 480 People | \$1750 |

Pole Tents

A pole tent is a heavy duty party tent made of vinyl supported by poles around the perimeter and in the center. They come in a variety of colors and with scalloped valances. All pole tents are available with a choice of sidewall styles as shown in the tent accessory page.

| <i>Size</i> | <i>Color</i> | <i>Capacity</i> | <i>Cost</i> |
|--------------------|---------------------|------------------------|--------------------|
| 20 x 20 Pole Tent | White | 40 People | \$290 |
| 20 x 30 Pole Tent | White | 60 People | \$390 |
| 20 x 40 Pole Tent | White | 80 People | \$490 |

Frame Tents

A frame tent is constructed with a metal frame that has no center poles. Frame tents offer infinite decorating and layout possibilities. This self-supporting structure is great for situations like decks, driveways, and parking lots that cannot accommodate stakes. Marquee tents are good for "hallway" type shelters that define entrances and protect traffic from a tent to another tent or building. SIDEWALLS are additional. Please see tent accessories page for more options.

| <i>Size</i> | <i>Color</i> | <i>Capacity</i> | <i>Cost</i> |
|--------------------|---------------------|------------------------|--------------------|
| 9 x 10 Marquee | w | | \$150 |
